K.C h a n d y, Esq.,B.A.,
Revenue Commissioner in Mysore, Bangalore.

SIR,

I have the honour to state that the Amildars of Chintamani and Bowringpet submitted for sanction on 11-4-24 and 16-4-24 bills for Rs.11-14-0 and Rs.13-12-0, respectively, being the expenditure incurred by them for cart-hire etc, for the removal of malnad hay supplied to them from the Railway Station to the Depots and that they were asked to meet the above expenditure from out of the -- imprests given to them. A reference was then made to the Director of Agriculture in Mysore by this office, requesting him to pay to the Amildars from out of the funds placed at his disposal by -- Government in connection with cutting and supplying malnad hay to the affected Districts, but he replied that there was no special grant given to him by Government to meet these contingent charges and suggested that an additional charge of one or two annas might be made on each bundle to cover this expense. The Amildars who had incurred such expenditure and to whom the suggestions of the --- Director were communicated, report that by the time the Director's suggestions were received by them the entire stock of malnad hay had been sold out and consequently this extra expenditure could not be covered and request that permission may be granted to meet this expense from out of the imprests treating the same as final charge. Under the circumstances explained above, I request that sanction may kindly be accorded to pay the sum of Rs.25-10-0 from out of the imprests given to the respective Amildars.

I have the honour to be,
sir,
your most obedient servant,
Deputy Commissioner.
